SECURE Cycle Store

Cycle Racks

- One of the widest ranges of bicycle racks and stands for storing your bicycle.
- Whether it is one bike or 100, we have a product that will fit your requirements.
- Cycle racks, also known as cycle stands provide a convenient and safe place to store bicycles.
- Our innovative range of cycle stands and hangers can be used individually or within cycle compounds.
- At Secure Cycle Store, our aim is to constantly innovate and design cycle parking solutions where space is at a premium.
- Space-saving Our range of cycle racks provide secure, space-saving and accessible cycle storage solutions for a host of applications. Whether it be for a

SECURE Cycle Store

Cycle Sheds

- We were the pioneers of the original 'Code' (Code for Sustainable Homes) Shed and Secure by Design shed in 2010
- We have the unique 'Hanger' shed, which saves 40% floor area compared to a standard bike shed
- Standard and made to measure sizes available
- Full range of garden sheds also available
